

MAIN LEVEL PLAN

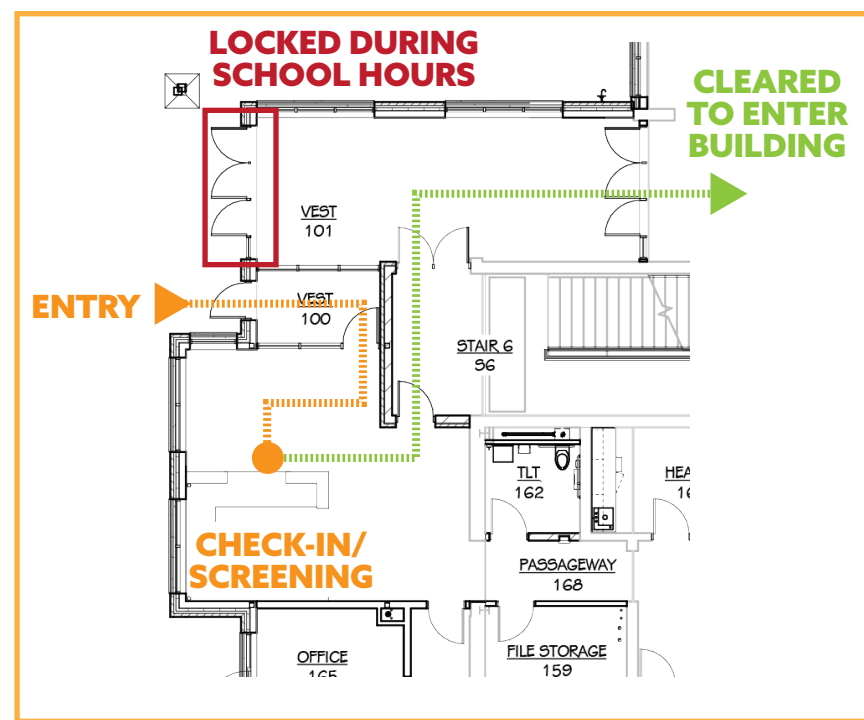

OVERVIEW

FLOOR/PLAN DETAILS

- Lock Down Doors:** Access to the academic wings will be protected by lock down doors that will be shut in the event of an emergency, securing students and the academic wings from main building access locations.

- Secure Visitor Entry:** A separate and secure visitor entry will provide additional security, where all visitors must flow through the office before entering.

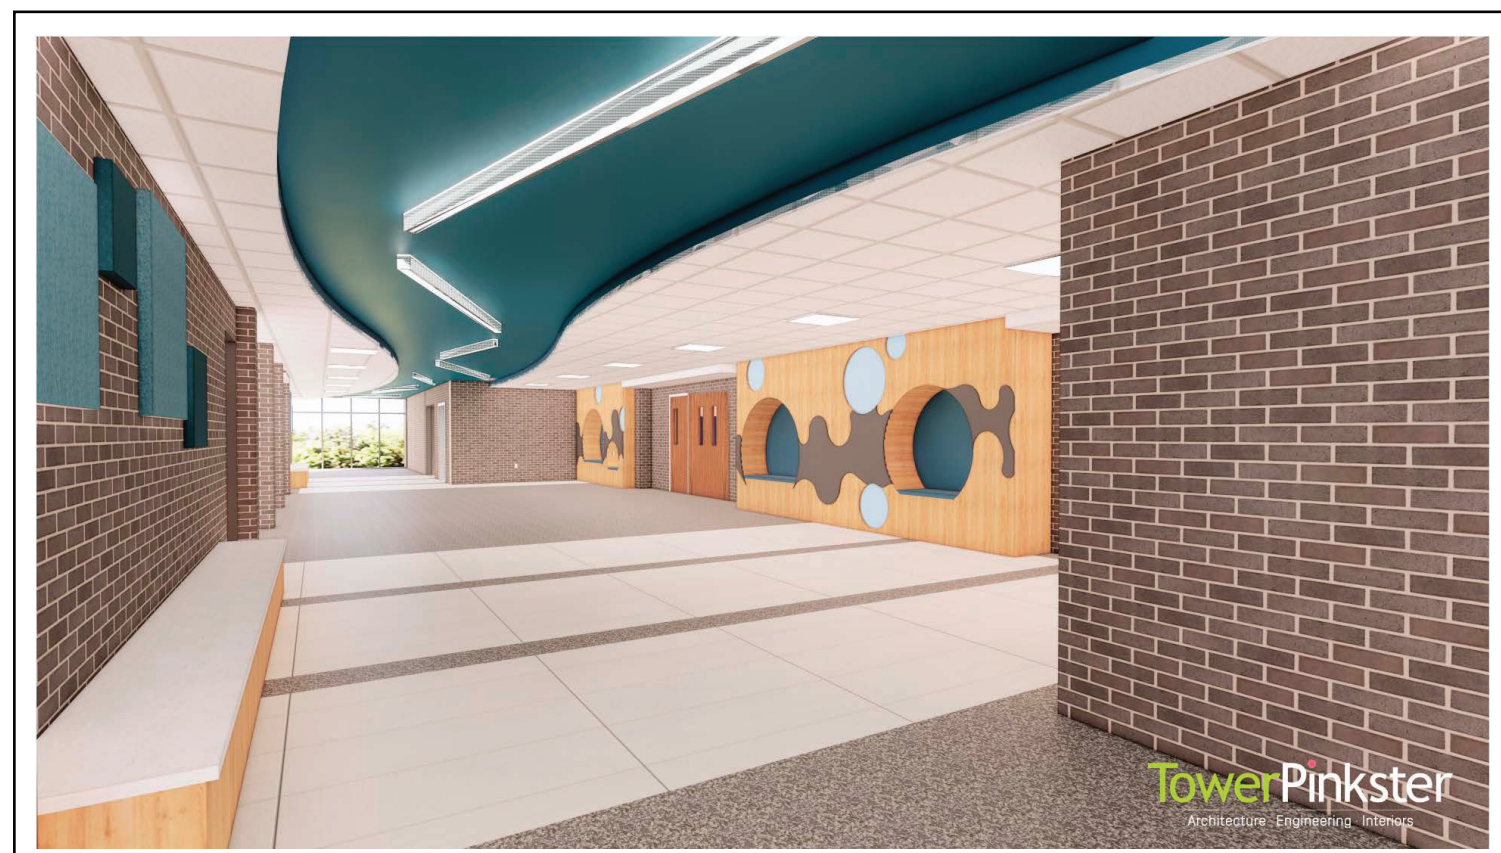

- 1st & 2nd Grade Floor:** First and second grade classrooms are located on the main floor with easy and direct access to the Media Center, Art Room, Gym and Cafeteria.

- Food Service, Cafeteria & Gym:** A new food service kitchen area will be created along with cafeteria in the buildings existing locker room and partial gym floor area. An all new elementary sized gym will be created within the existing larger high school gym floor area.

Typical First & Second Grade Classroom

All first and second grade classrooms will be equipped with the features outlined here. Major desires to enhance the classrooms includes dedicated toilet rooms along with individual room climate controls.

All rooms will also be equipped with flexible learning space furnishings & technology.
