

UPPER LEVEL PLAN

OVERVIEW

FLOOR/PLAN DETAILS

- Lock Down Doors:** Access to the academic wings will be protected by lock down doors that will be shut in the event of an emergency, securing students and the academic wing from main building access locations.

- 3rd, 4th, & 5th Grade Floor:** Located on the upper floor of Manistee Elementary, these grade levels will all feature age appropriate furnishings and updated technology.

- 4th and 5th Grade Learning Communities:** Within the 4th and 5th grade wings, large learning community spaces will allow for multi-class collaborative learning opportunities in a fun and flexible space.

Typical Third, Fourth & Fifth Classroom

All third, fourth, and fifth grade classrooms will be equipped with the features outlined here. Major desires to enhance the classrooms includes individual room level climate controls and easy access to learning community spaces (4th & 5th grade).

All rooms will also be equipped with flexible learning space furnishings & technology.
