SPARTAN 
CODING
CAMP </>

Explore the exciting field of computer coding at MSU Extension's newest premier pre-college program! Whether you have prior computer coding knowledge, or have never even thought about it, you will gain valuable coding skills at this fun STEM summer camp.

4-H Spartan Coding Camp campers will stay in a campus dorm and experience campus life, enjoying experiences such as:

- **Developing** your own tech ideas; **designing** and **coding** an application from scratch; and attracting users to **your product!**
- **Learning** the fundamentals of **launching** a product.
- **Discovering** the essentials of **web design** and **development.**
- **Practicing** coding skills in **HTML, CSS, JS, Ruby, Rails** and **Github.**
- **Enhancing** your passion for **technology** and growing **real-world skills.**
- **Touring** MSU campus, Dairy Store and more!

After the camp is over, you will continue to learn and practice at your own pace with nearly 60 hours of self-paced online lessons that allow you to further hone your coding skills.

4-H Spartan Coding Camp is offered in collaboration with CodeNow.
