

Adolescent Informed Consent Form

Information you share in therapy sessions is confidential, unless you give consent to disclose certain information. However, there are exceptions to this rule that are important to understand prior to starting with the therapy process. In some situations, it is required by law or professional guidelines that information discussed in therapy must be disclosed. Some of those situations are described below. Most involve your protection and the protection of others from the potential to be hurt or harmed.

Please	check each box after you have read each	section:		
	I understand that if I am 17 years old or younger and I understand my actions, I can receive help for counseling. I understand that I am freely choosing to enter into Northwest Michigan Health Services School Based Behavioral Health Service, and I understand that I may discontinue treatment at any time.			
 I understand that my behavioral health provider may not tell my parent or guardian or others ab give permission. However, my behavioral health provider may tell my parent or guardian or others about the second of the second of			or other necessary authorities if:	
	I understand that I do not need permission from my parent or guardian for the service listed above and the Behavioral He Specialist does not need permission from my parent or guardian to provide the service listed above.			
	☐ I understand that if I am 14 years or older, I can only receive limited outpatient mental health (counseling) services for 12 visits or 4 consecutive months without permission from my parent or guardian.
