During the fall, the weather can start to get cooler! You can turn this into a learning moment with your little one by asking, "How has the weather changed?" Then, talk about what clothes you wear when it starts to get cold! "How can we stay warm in the fall?"

Join us as we talk fall at the Pahl's Pumpkin Patch, October 19th starting at 10:30 am! Please sign up by October 11th, at <https://www.surveymonkey.com/r/V95L5M9>

## FALL LEARNING!

**For a fun fall activity, find a pinecone from your local park. Then, with your child, add peanut butter to the edges of the pinecone using a spoon or popsicle stick. You can then hang the pinecone on a string outside your window and watch as birds come to visit! "What color are the birds? Which one is your favorite?"**
