Mom Power

Mom Power is gearing back up for a Spring group! We will meet Wed mornings in March from 9:00–10:30 am on Zoom.

Mom Power is an attachment-based parenting program designed to provide education to parents, connect them with resources, and support their relationship with their child.

TALK, READ AND SING

How much time do you spend with your child driving in a car or riding the train or bus together? For many of us, it's part of our daily routine, making it a great opportunity to talk, read and sing together! As you go by the park or store, you can say things like, "That's where we played last weekend," or "There's the grocery store where we buy healthy foods."

LET'S TALK ABOUT CARS

EVERYWHERE YOU GO, USE WORDS TO TALK ABOUT WHAT YOU SEE AND WHAT YOUR BABY IS LOOKING AT OR POINTING TO.
