Conscious Discipline Networking Night

Parents and caregivers serve as role models for children. This is especially true when it comes to managing emotions and understanding feelings. Conscious Discipline is a social-emotional learning program based on brain research. The program supports first teaching ourselves about self-control and self-regulation and then teaching children. Attendees will leave with a better understanding of Conscious Discipline and how it can be incorporated into daily routines both at home and while in childcare

WHEN: Tuesday, January 11, 2022 6:00pm–8:30pm

WHERE: Heritage Baptist Church 655 East Parkdale Avenue
Manistee, MI

To register for this event: Providers please contact Terri Bauman at tbauman@unitedwaynwmi.org Families please contact Lacy Crummey at lcummey.wmmgsc@gmail.com

TALK, READ AND SING

Snowflakes come in all shapes and sizes! For a fun wintertime activity to do with your little one – even in warmer areas – take a square piece of paper and fold it into a triangle, then fold it into a smaller triangle. Using child-safe scissors, help your child cut the edges, then unfold to see your snowflake! Ask, "How many points does your snowflake have?"
