- C. Layoff: Layoff shall be defined as a necessary reduction in the workforce. The Board and the Union understands that should a layoff be necessary during the course of this Agreement, the reduction of employee hours to bring about the reduction of insurance benefits is not the intent of the parties.

- D. Layoff Notice: No bargaining unit member shall be laid off pursuant to a necessary reduction in the work force unless said bargaining unit member shall have been notified of said layoff no less than thirty (30) calendar days prior to the effective date of the layoff.  3. In no case shall a new employee be employed by the employer while there are laid-off bargaining unit members who are presently qualified to perform for a vacant or newly created position.
 4. Bargaining unit members on layoff shall accrue seniority during the period of such layoff. Acceptance or refusal of recall to a position which is lower in pay and/or benefits than the position from which the bargaining unit member was laid-off shall not affect his/her rights to recall to an equivalent position.

Employees electing COBRA coverage must do so within 60 days of layoff.

- H. Recall: Recall of employees shall be in inverse order of layoff with the most senior employee on layoff recalled first, provided he/she possesses the minimum qualifications for the position.
1. No new employees shall be employed when there are members of the bargaining unit on layoff who are presently qualified to perform and who possess the minimum qualifications for the position per job description/job posting.
 2. Notices of recall shall be sent by regular mail and electronic mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the bargaining unit member is to report back to work. It shall be the bargaining unit member's responsibility to keep the Employer notified as to his/her current mailing and electronic address.
 3. A recalled bargaining unit member shall be given seven (7) calendar days from receipt of notice, excluding Saturday, Sunday and holidays, to notify the Employer of his/her intent to return to work. The Employer may fill the position on a temporary basis until the recalled bargaining unit member can report for work providing the bargaining unit member reports within the seven (7) day period. Recalled employees shall be granted up to an additional eight (8) days to report to work for proven good cause due to personal or extenuating circumstances, including but not limited to illness, work commitment, moving. In such cases, the district shall have the right to continue to fill the recalled position for the extended time without violation of the timeline. [With understanding that someone working elsewhere has a total of 15 days to accept recall so they can give 14 days notice.]
 4. Employees shall have the right to accept or reject part-time positions without affecting their right to a full time position.
 5. Bargaining unit members recalled to full-time work for which they are qualified are obligated to take said work. A bargaining unit member who declines recall to full-time work for which he/she is qualified shall forfeit his/her seniority rights.
 6. Employees on layoff shall maintain recall rights for a period of three (3) years.
 7. Reimbursement of Unemployment: An employee who is laid off under the above provisions and who is paid unemployment compensation benefits during the summer immediately following the layoff and who is subsequently recalled to a position at the beginning of the next school year at their contracted rate of compensation, will reimburse the District for the unemployment compensation benefits which will be deducted from the employee's payroll payments over the school year.

If said position has been eliminated, the employee shall have the right to bump any employee with less seniority.
5. **Disability:** If an employee suffers a disability during a leave of absence granted pursuant to the provisions above, he/she shall be granted a paid sick leave of absence. If he/she exhausts his/her accumulated sick leave and the sick leave bank (if any); he/she shall automatically be granted an unpaid leave of absence for the duration of the disability. Return to active employment shall be with the same rights as provided by paragraph 5. above, i.e. the employee shall be considered as if he/she was returning directly from active duty, provided that the employee has submitted a certificate from a health care provider releasing the employee to perform the essential functions of the assigned position to which the employee is returning.

- A. A grievance shall be a claim of a violation, misinterpretation or misapplication of a written provision of this negotiated agreement.
- B. The term “days” shall mean business days of the District.
- C. The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits may be extended by mutual written consent.

If the grievance is filed on or after June 1, the time limits shall be reduced in order to effect a solution prior to the end of the school year or as soon thereafter as is practical.

1. Level One: An employee (group of employees or the Union) believing there to be a grievance shall within fifteen (15) days of an alleged violation, or within fifteen (15) days of the time he/she/they reasonably should have been aware of same, of the express provisions of this Agreement, shall orally discuss the grievance with his/her immediate supervisor or principal individually, together with his/her Union representative or through the Union. Regardless of the discussion with the immediate supervisor/principal or an unsatisfactory resolution, a written grievance must be filed within twenty (20) twenty-five (25) days of an alleged violation or within twenty (20) twenty-five (25) days of the time the grievant(s) reasonably should have been aware of the alleged violation. The written grievance shall state the date of the alleged grievance, the specific provision(s) of the agreement allegedly violated, and the relief sought in the resolution of the

grievance.

2. Level Two: After receipt of a written grievance at Level One, the immediate supervisor or principal shall have seven (7) ten (10) days to issue a written response.
3. Level Three: In the event the grievant(s) or the union is not satisfied with the disposition of the grievance at Level Two by the immediate supervisor or principal, or if no decision has been rendered within the seven (7) days timeline, the grievance may be advanced to the Superintendent within seven (7) days after a response was due at Level Two. Within fourteen (14) days from receipt of the written referral, the Board shall meet with the Union's Representative(s) for the purpose of hearing evidence and determining whether a violation, misinterpretation or misapplication occurred. A decision shall be rendered in writing within Ten (10) days of the meeting. If the grievant or Union is not satisfied with the disposition of this grievance, it may be advanced to Level Five. At the grievant's request, a copy of the grievance chain through Level Four will be provided to all board members.
5. If the grievance is not satisfactorily settled at step 4, then the grieving party can request mediation by the Michigan Employment Relations Commission ("MERC") by giving written notice to the District through the Superintendent's office within ten (10) days following receipt of the Board's step 4 response. Thereafter, the employer and the grievant and their respective representatives, if any, shall confer with the mediator assigned by MERC to assist in resolving the dispute. Within ten (10) days after the conclusion of the mediation conference, the District or its designated representative shall signify in writing the District's final response to the grievance. If mediation is unsuccessful, then the grievant may advance the grievance to step 6, binding arbitration.

Level Six: If the Association is not satisfied with the disposition of the grievance by the Superintendent, or in the event of a discharge grievance - by the Board, or if no decision is reached within the ten (10) day period, the grievance may be submitted to arbitration before an impartial arbitrator selected by the two parties. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accordance with its rules. Both parties agree to be bound by the award of the arbitrator except as specified in Paragraph A. The fees and expenses of the arbitrator shall be split by the parties.

- a. Powers of the arbitrator are subject to the following limitations:
 1. S/he shall have no power to add to, subtract from, disregard, alter or modify any of the provisions of this Agreement.
 2. S/he shall have no power to establish salary scales or other provisions of any successor Agreement.
 3. S/he shall have no power to decide a matter which has also been filed with an administrative agency (e.g., MERC, MDCR, EEOC, OCR, MESCC, DOL, etc).

D. Miscellaneous

1. A grievance may be withdrawn at any level without prejudice or record. Such withdrawal shall not toll the time period within which a grievance must be filed under this agreement.
2. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reasons of such participation.
3. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.
4. Forms for filing and processing grievances shall be designed, prepared, and distributed by the Superintendent and the Union.
5. Access shall be made available to all parties, places and records for all information necessary to the determination and processing of the grievance. A District designee will accompany the grievant or union representative during the inspection of personnel files or any other record maintained by the District.
6. Should an employee or the Union fail to institute a grievance or resubmit the grievance to the next level, within the time limits specified, the grievance will not be processed. If the employer fails to respond within the time limits specified, the grievance shall be automatically advanced to the next level.
7. In the case of employment termination, the grievance shall begin with the superintendent level.

Evaluations shall be done by the building principal with consultation by the teacher(s) with whom the employee works. At any time, an employee may be placed on a formal evaluation process if the supervisor believes the performance so requires.
- C. All evaluations, which shall include a conference with the evaluator, shall be reduced to writing by May 31. A copy of the evaluation will be given to the employee. If a supervisor believes an employee is doing unacceptable work, the reasons therefore shall be set forth in specific terms, as shall an identification of the ways in which the employee is to improve, and the assistance to be given by the employer towards that improvement. In subsequent evaluations, failure to again note a specific deficiency shall be interpreted to mean that adequate improvement has taken place, unless the evaluator explains why there was no meaningful opportunity to observe the deficiency in subsequent observations.
- D. Until such time as all bargaining unit employees have received a written evaluation using the new form referenced above, failure of the Employer to comply with the above schedule for evaluation is conclusive evidence that the employee's performance for that period was satisfactory.
