OCTOBER 2024

MMHS NEWSLETTER

MESSAGE FROM THE PRINCIPAL

Dear Families,

As we welcome October, I want to take a moment to thank you for your continued support and partnership. This month marks an important time in the school year as students settle into their routines and dive deeper into their learning.

In the spirit of community, we are focusing on fostering kindness and positivity throughout the school. Our goal is to encourage students to take small actions that make a big difference—whether it's helping a classmate, showing gratitude, or spreading a little extra kindness around campus.

We also have several important events coming up this month:

- **October 1:** BeAlert Student Presentations (K-12)
- **October 7-11:** Homecoming Week
- **October 9:** PSAT 8/9 (8th & 9th grades) and PSAT/NMSQT (10th & 11th grades)
- **October 9 & 10:** Parent-Teacher Conferences
- **October 10 & 11:** Half Day of School
- **October 15:** Picture Retakes

Please mark your calendars for these events, and we look forward to seeing you involved! Thank you for entrusting us with your child's education. Together, we can continue to make this a successful and rewarding school year.

Warm regards,
Morgan Nowicki

STAFF HIGHLIGHT

What is your favorite part of working at MMHS?

Give me an interesting fact about yourself.

Karen Beldo-Secretary

My favorite part of working at MMHS is being able to get to know and work with the students. I have enjoyed watching them grow the past few years. I also enjoy all my awesome coworkers.

I am a Yooper and I shook Jon Bon Jovi's hand before at a concert!!

Tara Lange-Guidance Secretary

I love that I am able to watch students grow and realize their true potential. Building relationships and watching students conquer their goals and knowing that I have a hand in helping them achieve this is so rewarding.

While I work in the school and have been a school employee for over 10 years my original degree is in dental. I started off as a dental assistant and then became the office manager and managed two dental offices.

Kendra Mikolajczak-Assistant Athletic Director

My favorite part is forming relationships with the students and watching them grow over the years.

Before working in the office as Athletic Secretary, I worked in the school kitchen and drove a school bus for 14 years!

Michigan Department of Education requires every teacher to have a valid teaching certificate. When a teacher is in the process of obtaining an endorsement in a new subject area, or is on a limited teaching certificate, the district offers additional supports such as: professional development, mentor teacher assistance, and specific evaluation and planning cycles.

Jane Diesing is Interim certified teacher, earning endorsements in ELA and Learning Disabilities special education endorsement.
