

# MMHS NEWSLETTER

END OF YEAR

Dear MMHS Families,

As we head into the final stretch of the school year, there's a sense of excitement (and maybe a little exhaustion!) in the air. The classrooms are buzzing, celebrations are around the corner, and we're watching our students take meaningful steps forward—whether that's finishing a grade level, crossing over to high school, or preparing to graduate.

This time of year always reminds me just how much growth, perseverance, and collaboration has taken place. From academics to extracurriculars, field trips to final projects, our students and staff have truly shown what it means to finish strong.

We also have some important events coming up as we celebrate these milestones:

📍 **Senior Honors Night** – Thursday, May 8

Underclassmen: 6:30 PM

Seniors: 8:00 PM

🎉 **Commencement Ceremony** – Friday, May 9 at 7:00 PM

Join us in celebrating the Class of 2025 as they take their final step in the MAPS journey!

🌟 **8th Grade Crossing Over Ceremony** – June 6

A special moment as our 8th graders transition into high school. More details coming soon!

To our incredible students, families, and staff—thank you. This has been a year full of learning, growth, and community. I'm so proud of all we've accomplished together.

Thank you again for your continued support and partnership. Let's finish the year strong and celebrate all that's been accomplished together!

Warm regards,

Morgan Nowicki  
MMHS Principal
